Fiddler on the Roof

The story centres on Tevye, the local milkman and father of five daughters, and his attempts to maintain his family and religious traditions while outside influences encroach upon their lives. He must not only cope with an iron willed wife, the rebellious actions of his three older daughters—each daughter's choice of husband moves progressively further away from established customs—and with the edict of the Tsar that evicts the Jews from their village.

The musical's title stems from a painting by Marc Chagall, one of many surreal paintings he created of Eastern European Jewish life, often including a Fiddler. The Fiddler is a metaphor for survival, through tradition and joyfulness, in a life of uncertainty and imbalance.

The original Broadway production of the show was the first musical to surpass the 3,000 performance mark and it held the record for the longest-running Broadway musical for almost 10 years. It won nine Toni Awards, including Best Musical, score, book, direction and choreography. Filled with delightful music that evokes emotion and memories, Fiddler on the Roof is everyone's favourite musical.
