## Titanic – The Musical

**Titanic** is the MUST-SEE musical performed by award winning HAODS\*.

This exciting and emotional journey tells the story of the hopes, loves and dreams of the real-life passengers and crew as the gigantic luxury liner, RMS Titanic embarked on her maiden voyage in April 1912, from Southampton to New York.

Hailed as a modern wonder, the “unsinkable” ship carried a diverse mix of passengers from the wealthy and influential to poor emigrants looking forward to a new life in America, little knowing the tragedy that would strike their epic journey. This award winning musical is an inspirational and moving tribute to the strength of the human spirit and the frailty of life.

What the critics say:

**“Titanic The Musical works.** This is one of those rare musicals that achieve tragic dignity. A five star hit!” – *Charles Spencer, The Daily Telegraph*

“The greatest American musical to have been written in the last fifteen years. A triumph. A score which soars, a masterpiece.” *Sheridan Morley, The Spectator*

*\*NODA Best Production Award for West Side Story, 2008*
